

# Opportunities as a Dana partner

**As a result of expansion into the Australian and New Zealand markets, Dana is currently seeking sales and/or distribution partners in both countries.**

**We are interested in forming relationships with potential partners who have the ability and strength to provide stocking and marketing support for a developing range of Dana aftermarket products.**

**Potential partners should be able to provide support through:**

- ✓ Technical or sales field staff
- ✓ An established network of customers or distribution channels to end users
- ✓ Ability and vision to invest in significant inventory
- ✓ Support for training and development

**Current sales/distribution opportunities exist with the following Dana aftermarket products:**

- ✓ Victor Reinz gaskets and sealing products
- ✓ Steering components
- ✓ Light vehicle driveshafts
- ✓ Agricultural and construction machinery axle and driveline products
- ✓ 4x4 axle and driveline products
- ✓ Performance vehicle axle and driveline products
- ✓ Remanufactured light SUV and 4x4 axles

**For more information on how you can increase your business revenue by becoming a Reseller or Distributor of Dana products, contact Dana today.**
